**CELEBRATED CATHOLIC**

The Catholicon far surpasses other remedies, in more certain, less expensive, and lasting the system of medicine.

I have no hesitation in saying Dr. Magrover's U. Catholicon is invaluable in various diseases generally used in Prince Albert, Amersbach, and other parts, and in cases of extensive ulceration of the skin and throat. It is worthy of the highest recommendation.

JOHN GURRICK, M. D.,  
St. Catharines.

The Catholicon is a 'working good service' here. All those that have tried the medicine have been benefited, and one and that we nothing can be done.

Truly Yours,  
WM. LAMOND MASTERS, M. D.

July 6th, 1854.

I must say, from my own experience, and personal observations in my practice, it has proved to be the most certain remedy for the difficulties for which it is intended, viz that of female weakness, such as Pro-

D. T. HOOPER, M. D.,  
Bryn Mawr, Pa.  
Those needing such a remedy should be  
instructed in this method, and by calling at the above  
understand can obtain a pamphlet (free) contain-  
ing proof, from the most respectable analyses, of the  
official results of his own experiments with those  
experienced Physicians, who have used it in their  
own practice, and speak from their own observations.
